Data sheet:
Network Switch 10/100 Mbps

Product code : LN-118
Product name : Network Switch 10/100 Mbps
EAN code : 8716502018253

Create a wired home or office network with up to 5 devices

This Network Switch makes it possible to connect a number of computers and allows files and peripheral devices to be easily shared between all the connected users. The switch has a processor that ensures the data is intelligently transferred between the computers, so that a transfer speed of 100 Mbps is guaranteed.

This product comes with the extensive 10-year Sitecom warranty. Simply activate the long-term warranty by registering your product within 3 weeks of purchase.

Technical specifications

- Compliant with the IEEE 802.3 10Base-T ethernet, IEEE802.3u 100 Base-TX specifications
- Support IEEE802.3x full/half duplex flow control and back pressure
- Features 5 Auto-Negotiation RJ45 ports supporting Auto-MDI/MDIX
- QoS: Port-based priority
- MAC address table size: 1K
- Link-On and Cable Length Power Saving
- Link-Down Power Saving
- Energy-Efficient Ethernet (EEE), IEEE 802.3az
- Support Wake-on-LAN (WOL)
- Non-blocking wire-speed reception and transmission and non-head-of-line-blocking forwarding
- Supports MAC address auto-learning and auto-aging
- Full LED display panel for error detection and network monitoring
- Compact design for desktop or wall mounting
